MONADNOCK UNITED WAY **MISSION STATEMENT:**

MONADNOCK UNITED WAY

is dedicated to improving lives by mobilizing diverse partners and investing in programs and people to create long-lasting measurable change.

This is done through the following objectives:

- Evaluate the extent and priority of regional human service needs
- Develop financial and non-monetary resources to meet those needs to the extent feasible
- Allocate these resources effectively
- Foster the spirit of volunteerism
- Facilitate community initiatives and problem solving
- Promote public awareness and understanding through education and communication
- Plan and provide for the community and evolution of the organization

STABILIZING CITIZENS

When people are hungry, cold, lack transportation, or housing, it's hard to succeed. Monadnock United Way supported programs help stabilize families in crisis by providing basic needs services, including workforce development, legal assistance, and facilitating financial empowerment.

- 12,431 citizens accessed food assistance, fuel assistance, weatherization, transportation, legal services and shelter in 2015
- 90% of Monadnock Region residents receiving services earned less than \$25,000 a year, according to programs that report income levels

MESSAGE FROM THE BOARD CHAIR

In 2015 Monadnock United Way (MUW) continued our efforts to become stronger in our roles as a convener, trainer, volunteer manager, advocate, backbone, fundraiser and funder. Our ongoing objective is to constantly evaluate and direct resources in ways that lead to long-term improvement in the life skills and capabilities of individuals and their families, while simultaneously providing for their immediate needs.

One of those efforts was through our allocations efforts. We have streamlined the application process, enabled partner agencies to incorporate success stories and collect more demographic and impact data, so that they can include this information in their proposals and reports. This has helped members of the allocations teams review and better understand the funded programs, while ensuring that both MUW and our partner agencies are more accountable for donor dollars.

2015 saw MUW, along with Spark NH, complete their first full year as co-backbone organizations with Impact Monadnock and its Early Childhood Initiative. Impact Monadnock's mission is to prepare children from birth to age five in the Monadnock Region for future academic, career and life success. MUW provides management, operations and marketing support, while Spark NH lends its expertise in the area of early childhood development. We are excited about the work of Impact Monadnock's Early Childhood Initiative and how it is so closely linked to the mission of MUW.

Another proud achievement of 2015—we kicked off our first Women's Leadership Council (WLC) information session attended by 25 women who are interested in making a difference in this region. The WLC is a global network of more than 60,000 women in 155 communities across six countries, all dedicated to improving lives. There is great interest in the development of a WLC in the region. We'll keep you informed as things progress.

Still another accomplishment in 2015 was the adoption by the MUW Board of Directors of the following priority areas as identified in the 2012 Community Needs Assessment: Child Welfare, Economic Opportunity and Educational Attainment. In establishing these priorities, we will fine tune our allocations process and examine how we align with our partner agencies. This set the stage for a comprehensive strategic planning process involving many members of the community and under way now. This plan, which will be critical to our evolution as an agency, will be completed in 2016. With these pillars at the core, we are working toward innovation and driving lasting, measurable change.

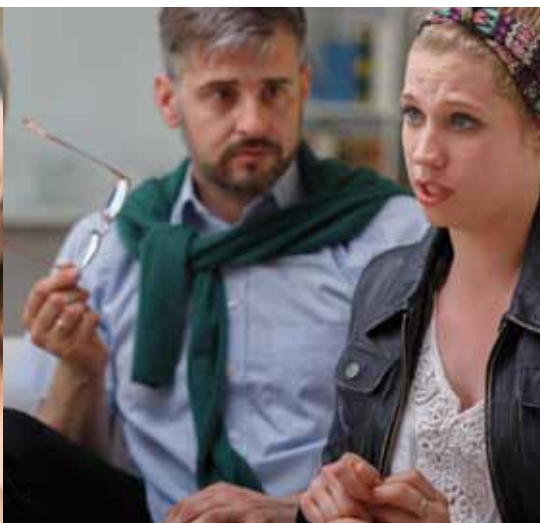

And lastly, thanks to the leadership of General Campaign Chair Beth Truman, strong individual and corporate support and the efforts of MUW staff and more than 500 volunteers, the most recent campaign raised \$2,045,298, or 101% of the goal! This marks the 14th consecutive year that the community brought in more than \$2 million.

As we move ahead, we will continue to evolve as a key collaborator and as an investor in programs and people that and who improve lives and make a difference in our region. With your help, support and enthusiasm, we look forward to this journey.

Very truly yours,

Terrence L. Williams

2016 Monadnock United Way Board Chair

EMPOWERING WELL-BEING

When our residents are thriving, the benefits ripple across the region. Monadnock United Way donor resources support community well-being through prevention, respite, and direct services.

- 3,598 people received mental health or substance abuse services in 2015
- 67,736 services have been provided to assist people with aging in place

LEADERSHIP GIVERS

2016 GRAND MONADNOCK RAPELLING TEAM

LEADERSHIP GIVING... is for those whose generosity reflects an extraordinary concern for our community and the needs of the people who call the Monadnock Region home.

As Leadership Givers, you are the foundation of Monadnock United Way's success. You have taken the lead and have helped blaze the trail for others in our community to follow.

The Monadnock United Way Leadership Giving Program was established in 1985 to recognize those individuals whose annual contribution displays leadership in support of the human service needs of our community.

We have made every effort to ensure the accuracy of the information included here, and apologize for any errors within the lists on these pages. For questions or comments, please contact us at 603-352-4209.

Thank You!

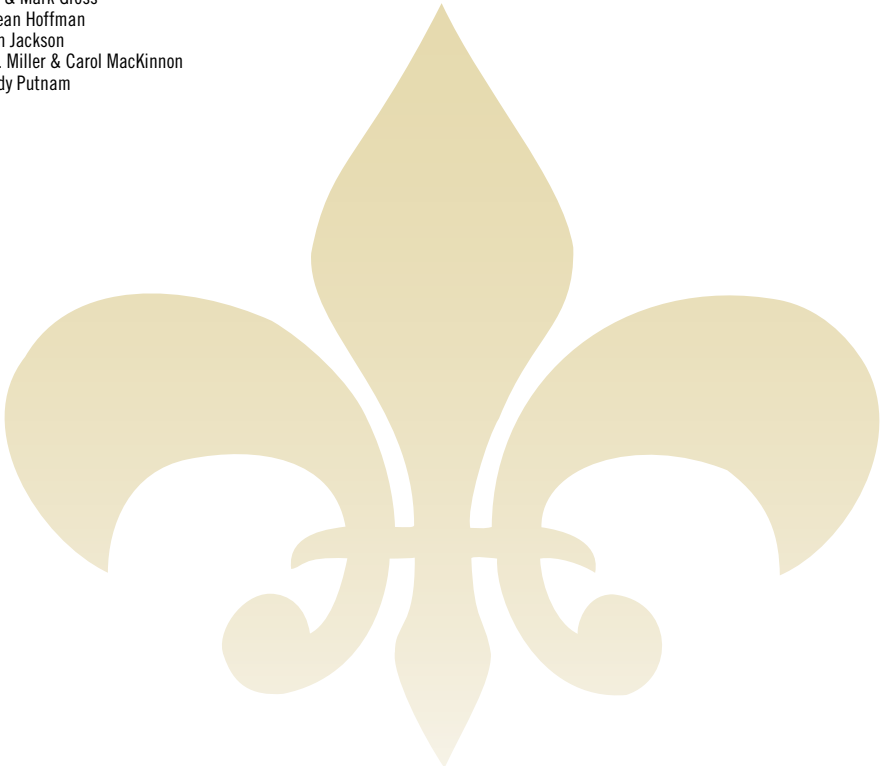

THE ALEXIS DE TOCQUEVILLE SOCIETY

Contribution Level: \$10,000 and Above

Initiated by United Way of America in March of 1984, The Alexis de Tocqueville Society Major Giving and Recognition Program is designed to deepen the understanding, commitment and support of individuals to United Ways and to recognize their deep commitment to service. The name of the society was chosen because of de Tocqueville's admiration for the American spirit of voluntary association and voluntary effort for the community good.

Thank you to these individuals who have made such a commitment to our community.

ENDOWMENT PROGRAM

A GIFT TO OUR COMMUNITY THAT WILL ENDURE FOR GENERATIONS

In thirty or forty years we can be fairly confident that area towns will still have their beautiful village greens, Mt. Monadnock will appear majestically from the morning mist, the lilacs will bloom in the spring and maple trees will turn the hills brilliant colors every fall.

But what about the people? Will our children have the opportunity for quality beginnings? Will emergency food and shelter be available for those who need it?

Will the handicapped have access to special training? Will our elderly still have the care and support that make such a difference in their lives? Will those in crisis still receive counsel and support?

The **Monadnock United Way Endowment** is a permanent commitment ensuring that as long as there are people in the Monadnock Region who need help, it will be available. *Always.*
